Premier Harry Strom

Election Called For August 30th

At a press confrence last Thursday afternoon, Premier Harry Strom announced that a provincial election will be held on Monday, August 30th.

The announcement by Mr. Strom ended the guessing game that has occupied the press and members of opposing parties for the past several months.

Three parties in the new Drayton Valley Constituency, which will be represented in the next legislative session for the first time, have named condidates and have started campaigning.

Tom Johnson, a Drayton Valley Real Estate and Insurance Agent, will seek election for the Social Credit party; the Progressive Conservatives have named Tomahawk farmer Rudolph (Rusty) Zander; and Winfield Hardware Merchant, Alvin Harmacy, will seek the seat for the N.D.P.

The Drayton Valley Constituency was created by redistribution early in 1970 and took part of Stony Plain, Leduc and Wetaskiwin ridings to establish the new West-Central electral district.

In his election statement Mr. Strom stated, "The issue in this election is the future. Which Party is more likely to continue this good record and give Leadership for the future of our Province Who is better equipped to take Alberta into the 1970's and 1980's Who has more experience? Who has demonstrated ability? Who has done long range planning in Education and urban needs and other important areas? Who spent time on planning for the needs of all our people and not just concentrated on "Image?"

Mr. Strom went on to describe his government's role in promoting economic growth in Alberta as well as stabilizing the Agricultural marketing situation and fostering development in rural areas.

Road Work Far Behind

Gordon Tylor, Alberta Minister of Highways and Transport, has announced that road construction progress in the Province has been extremely poor this year. A late spring, coupled with heavy rainfall in June and early July, has seriously delayed accomplishment for this period.

While May had exceptionally good weather in some areas of the north and central parts of the Province, work was delayed in the south. In June, extensive rainfall, far above the average, seriously held back projects particularly in the central part of the Province.

It will take an extended period of good weather to bring the work back into a reasonable production schedule as many areas have now been throughly saturated, and rain every other day certainly does not permit drying up.

August is the month when there's more billing than cooing for the lovebirds.

Two Drown In Lake Isle Boating Mishap

Ron McCartney, 30, owner of the Drayton Valley Marshall-Wells Store, and his brother-in-law Ken Woods of Calgary were drowned Saturday evening in a boating accident at Lake Isle.

Members of the Evansburg R.C.M.P. Detachment were still dragging the lake on Monday as we went to press. The body of Mr. Woods was recovered Sunday.

Information from those close to the scene Saturday evening indicates that the boat with the two men and three or four children capsized and all were trapped underneath. Mr. McCartney got the children, who were all wearing life jackets, out from under the boat and swimming toward shore.

He apparently returned to assist his brother-in-law, and neither reappeared.

Mr. Woods is survived by his wife and one child, and Mr. McCartney by his wife and two sons, and his parents and other members of the family in the Breton area.

Project Receives Public Response

Thus far, public cooperation with the Opportunities For Youth Program has been very good but of a limited quantity. The project is an attempt to compile a history of Drayton Valley and the surrounding area. To make this project a success, it is necsssary to interview a great number of people who have been here since the early days.

Any help that private citizens could give us would be greatly appreciated. Interested parties are requested to phone 542-4743 or appear in person to the downstairs office in the Town Hall.

Name Winners Elks Raffle

Mr. Roy Kananen of Calgary was the lucky winner of the draw for a 1971 Truck and Camper raffled by the Alberta Elks Association recently.

Other winners were: Color T.V. --Henry Hopkins of Grouard; $100.00 Bills-- Bud Huston of Delburne, Otto Reichelt of Jarvie Elmer Hogan of Imperial Mills, Elmer Fraser of Edmonton and Roy Lambright of Tangent.

Proceeds of this raffle go to the Alberta Elks Foundation, a fund set up by the Provincial Association to provide assistance to deserving causes and people.

The draw was made at the Alberta Elks Association Annual Convention held at Medicine Hat recently, at which Bob Cowan of Drayton Valley was a delegate.

School Survey During Summer

A meeting was held at Buck Creek Hall, Lindale on Monday, July 19th to report the findings of the Committee at the County of Leduc Council meeting on July 12th.

The committee representing parents of Berrymoor students approached the School Committee with a request for a change in schools and were told that the request came too late to be considered for the approaching term.

The parents asked that their children be bused to Drayton Valley Schools rather than to Lindale and Breton. The School Committee pointed out that staff had already been engaged on the basis of classes for the fall term that included the 35 children involved.

The committee feels there is no possibility of students furthering their education at Lindale as the cost of maintaining a small high school adequately is much too high. The county at present has to subsidize Lindale.

However, if it is the desire of the parents that students attend Drayton Valley School, there is a good possibility that these students may do so for the 1972-73 school year. To determine this there must be a majority vote of parents of students eligible.

A survey is to be taken of students presently beginning grade XII in September and present high school students. The land location is also required. It is planned to submit an additional list of students beginning grade I and up as of September 1972 who's parents wish them to attend Drayton Valley when the time arrives.

The suggested boundry is one mile south of Highway 57 to Buck Lake Creek and north to the Saskatchewan River. Anyone outside this boundry and wishing to add their names to this list, please phone 542-2342 for information.

The committee plans to visit each family to explain in more detail and obtain necessary signatures of those wishing to sign. If anyone is not contacted, please feel free to inquire as it is not the desire to omit anyone wishing their children to attend Drayton Valley. These names are to be submitted to the County of Leduc as soon after the beginning of the present school year as possible.

Mr. Rudolph Zander, Councillor for Parkland County was present and explained in some detail what the new High School in Drayton Valley will consist of. It is "the next step to a Vocational School." Technical knowledge will be available in Grades X - XII, eliminating unnecessary subjects for those studying trades. The time spent in technological institutes is shortened considerably. This will be a great help to many students and will provide a much wider choice of occupation for the future.

Mr. A. B. Carron, Warburg, Mr. Hans Hansen, Breton, and Mr. Tom Bevan, Buck Creek will be looking into the situation of school bus routes to see what can be done to shorten the time spent on the bus by area students presently attending their various schools.

Neptunes Win Swim Meet Here

On Saturday, July 24th the Neptune Swim Club held their annual Swim Meet. Teams competing were from St. Albert, Camrose, Edson, Fort Saskatchewan and Drayton Valley.

Although there were showers early in the afternoon, the meet ran smoothly. After the sun came out so did about 200 spectators.

This is the 4th year in a row that Drayton Valley has won their own meet. Standings for the day were: Drayton Valley 472; Camrose, 431; Edson, 169; Fort Saskatchewan, 104; and St. Albert, 69.

The Neptune Swim Club would like to thank all the parents and people who were involved in any way in making our meet the success it was. The coach of the Drayton Valley swim team would like to congratulate all the Neptune swimmers.

Next Saturday, July 31st, the Neptune Swim Club will travel to Edson. Teams competing will be Edson, Hinton, Fort Saskatchewan St. Albert and Drayton Valley.

Fish Derby Again Success

The Fish Derby sponsored by Pembina Oilfield Fish and Game was held at Brazeau Dam from July 16th to 18th with ideal weather conditions, although a little hot.

Although local turnout for the event was very light, there were enough entries from outside points to help fill out the derby.

Most anglers concentrated on the Pike and some hefty fish were caught.

Mr. Bill Burnett of Warburg, although he was beaten out narrowly for second place had entered at different times, four pike with a total weight of 49 lbs. 7 ozs. which averaged out to some nice ones.

Fish were entered in every class and the list of winners is as follows: Walleye - 1st, Paul Ressler, Edmonton; and 2nd, Ricky Androschuck. Pike - 1st, Sid Stubbs, 15 lb. 15 ozs.; and 2nd, W. Wingert, Warburg. Trout - 1st, Bill Roos; and 2nd Mel Seely. Goldeye - 1st, Richard Weber, Rimbey; and 2nd, A. E. Helner. Grayling - Stephen Herold. Other Species - 1st, Sam Gatske, Edmonton; and 2nd, Paul Ressler, Edmonton. Ladies' - 1st, Joyce Karach; and 2nd, Mrs. J. Buzak. Junior - 1st, Tim Karach; and 2nd, Lanny Videsjorden.

The Fish and Game Association wishes to thank all who participated in the event and to thank the sponsors of our program and prizes.

ELKS CLUBS TO DONATE VEHICLE

In support of the Benevolent & Protective Order of Elks' work through its Purple Cross Fund and the Deaf Detection Program, the Alberta Elks Foundation has agreed to put up the sum of $12,000.00 towards the purchase of a vehicle to be equipped and used as a mobile Deaf Detection Clinic in Northern Alberta. The overall scheme which has been under way for about three years is designed to detect deafness in infants at an age when remedial treatment may be effected to assist the child later in life.

This unit will be the first of its kind in Alberta and it is hoped that others may be put into service later on.

BY MRS. EDITH DEBY

Larry Beckett will be leaving before fall for a stay in Australia. He will be a member of an agricultural exchange program.

Best wishes for future happiness go to Mr. and Mrs. Thomas Hines who were married in Drayton Valley on Friday. Mr. Hines is the youngest son of Mr. and Mrs. Edward Hines Sr., of Violet Grove. His bride is the former Miss Linda Lillico, daughter of Mr. and Mrs. Gordon Lillico of Drayton Valley.

When on holidays in the United States, Mr. and Mrs. George Mohn had the rather frightening experience of arriving in an area just after a tornado had swept through. Mr. Mohn says it is hard to believe the utter devastation left by such a storm. Houses were flattened; a grain elevator lost its roof; and seven inches of rain was dumped on the area following the tornado.

The Bill Urchyshyn's many friends are delighted to hear that they will be returning from Toronto this fall to make their home in Alberta.

Mr. and Mrs. John Gowda and family will be making their home in England for the next two years. Mrs. Gowda and the children will go directly to England soon. Mr. Gowda has already left. At present he is in Singapore and will be in Australia for a time before joining Mrs. Gowda and the children.

Mr. and Mrs. Lloyd Matlock have sold their house and are making preparations to emigrate to Australia. They will travel by air with stops of three days in Hawaii and a week in the Fiji Islands. They will be going first to Sydney.

Mr. Frank Hazzard was still limping last week ten days after he was bitten by "Man's best friend" while on his reading meter duties. Granted it is hard to teach a dog the difference between authorized and unauthorized persons on his master's property. Perhaps the meter men should get Barry Thompson to make them each a pair of tin chaps.

P.C.s Meet to Plan Campaign

The Progressive Conservative Party has gone into high gear with the recent announcement of the provincial election on August 30.

On July 25th the first of weekly campaign workers' meetings was held at the home of P.C. Candidate, Rusty Zander. Al Chesterman chaired the meeting and gave an outline of the election campaign.

The Progressive Conservative Party headquarters will be in the Drayton Valley curling rink and staffed by a paid student and numerous volunteer workers. The headquarters will be open by August 1st. Rusty Zander will campaign every day, assisted by various area representatives.

Denis Meier is chairman of the fainance committee, responsible for the money necessary for the campaign to be raised by membership sales in the constituency. In addition it is hoped to hold a fund raising dinner later in August.

The Homemaker

Mrs. Georgianna McDavid

DESIGN FOR LIVING

Klondike Days have begun in Edmonton with all the festivities and fun of the Exposition. There is a "new look" in the Homemaker Section of Klondike Days. Take a few minutes to tour the section now called Design for Living.

Formerly this section of the Exposition took on the atmosphere of the homemaker's section at most country fairs-- the potpourri of pickles, breads, biscuits, doilies and paint-by-numbers. Design for Living is an exhibition/competition of contemporary arts and crafts. It offers a comprehensive and informative display on crafts with a special emphasis to individuals interested in creating and/or utilizing creative textiles, fabrics and wall hangings. To bring new meaning and dimension to the displays, demonstrations, movies, slides and printed handouts, the viewer can try his hand at primitive weaving and block printing. Design for Living in 1971 is setting the stage for change in exhibition/competitions of Alberta.

HANDICRAFT AND FLOWER SHOW, AUGUST 19

New for the County of Parkland will be a Craft Show. The Craft Show is going to be held in conjunction with the Annual Horticultural Show, Thursday, August 19. The Craft Show is to be similar to Design for Living of Klondike Days using the same emphasis on creative crafts.

It has been observed that a continuous development in the field of creative handicrafts throughout the County of Parkland is taking place. Through this first Craft Show individuals will have an opportunity to exhibit their articles as well as make other people aware of what creative handicrafts really are. The crafts may be entered in competition, one per class, or displayed. Judging in all categories is based on (1) Design, (2)Craftmanship and (3) Function.

If you are interested in receiving a booklet containing the list of Competition Categories, please write this office, Box 510 or to the Parkland Recreation Office. Categories include Textiles, Weaving, Ceramics, Quilting, Leathercraft, Stitchery, Knitting, Crochet, Sewing, and sections for metal, wood, basketry, mosaics, painting and lapidary.

As you can see the class list covers many areas of craft work. All articles must be self-created. Feel free to write to my office for the Category Book.

LINDALE NEWS

Get well wishes are extended to Mrs. Gordon Holmgren who underwent surgery recently in the Drayton Valley Hospital.

Home from a short holiday in B. C. are Mr. and Mrs. Francis Lachance and family.

Visiting at the home of Mr. and Mrs. F. M. Bijou were Mrs. Bijou's niece, Mrs. Bob Ross (nee Audrey Flathers) and two of her children, from B. C. The Ross family lived in the Lindale area several years ago.

The gravel trucks are busy moving the county stock-pile of gravel from the Lindale pit.

Haying operations are finally getting underway since the rainy season has given way to more favorable sunny weather.

Mrs. Rita Wild of Rocky Mountain House, was a recent visitor at the home of her brother and sister-in-law, Mr. and Mrs. Frank Belanger. Mrs. Belanger returned to Breton Hospital.

Wedding bells will be ringing shortly for Eleanor Hernberg and Rodney Shipton.

At the meeting held in Lindale Hall on Monday evening July 19, those attending were informed that the coming school term is already set up, so none of the pupils will be bused to Drayton Valley during the 1971-72 term.

Regular Meeting School Committee

Meeting of the school committee of the County of Parkland No. 31 held in the County Office on Tuesday, July 20. Minutes as recorded by the assistant secretary-treasurer but not yet officially adopted by the school committee.

Present were Messrs. George Mann, R. Zander, R. A. Bailey, Peter Bakker, Ivan Vowk, Don Gylander, Mrs. E. P. Howery and A. C. Kritzinger, School Committee members, also Assistant Superintendents, Mr. R. J. Toews and Mr. A. R. Myhre and Assistant Secretary-Treasurer, A. W. Boychuk.

It was moved and carried that the minutes of the last meeting be adopted as presented.

DEBENTURE BORROWING

The following letter regarding debenture borrowing was received from the Local Authorities Board:

RE: By-Law No. 14-71 -- "This is to acknowledge receipt of your application and information attached thereto all relating to the above By-Law.

Your application has been presented to our Solicitor Member of the Board and I have been instructed to advise that the Local Authorities Board has no authority to approve your application due to the fact that the Public Notices and newspaper advertisements were incorrect in view of the fact that the age in the Notice has been changed from 19 years to 18 years and the Board has not as yet been advised by the Department of Education that a new form of Public Notice has been prescribed by the Minister and filed under the Regulations Act. You will not be able to pass a new By-law until the new form of Notice has been prescribed and filed under the Regulations Act."

It was explained to the School Committee that the Department of Education plans to enumerate all debenture by-laws passed between March 31st and July 1st and these will be presented for an Order in Council to exempt them from the Age of Majority Act.

RENTAL RATES

A letter was received from Mr. Brian Ganske of Entwistle protesting the increase of the rent on his teacherage from $111.50 to $135.00 per month effective September 1, 1971.

It was moved and carried that a Committee consisting of Mr. Don Gylander, Mrs. E. P. Howery and Mr. J. W. Tyler be authorized to inspect all teacherages in the County, recommend necessary repairs and/or renovations and review the rental rates.

It was moved and carried that the Administration research and develop a policy statement for consideration by the School Committee related to the use of school equipment and storage space by outside groups.

It was moved and carried that one portable classroom be purchased for Spruce Grove.

It was moved and carried that the Superintendent's report be accepted.

It was moved and carried that the matter of the purchase of Training Equipment for the Assessors' Association through the County School Account be referred to the Department of Municipal Affairs for a recommendation.

The local R.C.M.P. telephoned the County Office on Friday, July 9th to advise that the accused pleaded guilty to the charge laid against him for entering the Memorial Composite High School in Stony Plain on June 23rd and causing damage. He was sentenced to 2 years probation on the condition that he make restitution to the County for the damage.

COURT HEARING EVANSBURG SCHOOL

It was moved and carried that Mr. George Mann, Mr. R. A. Bailey and A. W. Boychuk attend the Court Hearing on the Evansburg School on behalf of the County on Monday, August 16, 1971.

The meeting re-assembled after lunch at 1:15 p.m. with everybody present except Mr. J. W. Tyler, Mr. R. Lent and Mr. L. N. Miller.

It was moved and carried that the attendance boundaries as presented by Mr. K. J. Dew be tentatively approved.

It was moved and carried that the following staff hiring for the Drayton Valley renovations be approved: Mr. J. A. Schribar, effective June 30, 1971; Mr. J. Sather, effective July 6th as carpenter; Mr. A. E. Young, effective July 12th as carpenter; and Mr. Dwayne Schribar and Mr. Eddy Dehek, effective July 5th as carpenters' helpers. Mr. Peter Bakker registered a negative vote.

It was moved and carried that Mr. Ray J. Bolig's resignation as Handimans' helper effective July 14, 1971 be accepted.

Mr. L. N. Miller now came to the meeting.

SERPLEX DELEGATION

Mr. A Shenfield, President of Spruce Grove Serplex and Mr. S. Hodgson, Architect, came to see the School Committee regarding an extension to the serplex portion of the school for joint use to be incorporated with the addition to the gymnasium.

The Architect's estimate of the cost of the addition of the Serplex portion was $31,680.00 as a maximum figure but he felt that this could be considerably less. The Serplex people are prepared to contribute $10,000.00 towards this project.

It was moved and carried that the School Committee enter into an Agreement with the Town of Spruce Grove for an addition of 1880 square feet to the new gymnasium in Spruce Grove as joint use facilities, as presented by the Architect, on the condition that the town contributes $10,000.00 towards the cost.

It was moved and carried that the School Committee authorize the architect to prepare final plans and specifications for the addition to the Spruce Grove gymnasium subject to written approval being received for the sketch plans from the School Buildings Board.

An Oversight, We Hope

A provincial government press release last week concerning the 4-H awards banquet on July 27th contained a couple of lines that disturbed this writer.

Following the meat of the release (distributed, we presume, to all weekly newspapers to help publicize the event) was a list of guests invited to the evening's activities, who, according to the release, are "representatives from many of the sponsoring organizations who make possible a wide variety of 4-H club activities and programs for the benefit of some 9,500 4-H club members in Alberta."

We have no argument with this -- the firms and institutions invited do a great deal to help 4-H. However, further down the list we find CFRN-TV, CFCN-TV and CFCW Camrose -- no mention of the print media, or more specifically, a representative of the Alberta Weekly Newspapers Association.

The pages of weekly newspapers record, week after week, 4-H activities throughout the province and we haven't the slightest doubt that the prime publicity vehicle of the 4-H movement is the weekly press. How would 4-H fare if it were completely ignored by the weeklies and depended on the three media guests for its year-round coverage? Rather poorly, no doubt.

No one would expect a mass representation of weekly editors, but we believe the organizers of the event might have given consideration to the weekly newspapers role in supporting 4-H, and invited the president of the AWNA or his representative to be present.

Free Loading Is Big Business

Community newspapers are finding it increasingly difficult to separate genuine requests for publicity from the chisellers who expect to get something for nothing.

The week before last the Review received, by actual count, 72 requests in the mail from organizations, companies, advertising "counsellors", advertising agents, public relations firms, do-gooders, promoters of sports events, manufacturers, sponsors of "weeks", etc., etc., which sought to crash our advertising columns for free.

Many of these were accompanied by expensively prepared briefs, pictures and layouts. In addition to money spent on preparing them, it cost a pretty penny to mail them. At one time, most of these requests came by cheap mail and they were easily recognizable. Into the waste paper basket they went! These days it takes time to sort the chisellers from the agencies we believe really deserve our support.

We get some dillies. Almost every week the public relations branch of a big B.C. resources organization sends us boosts for their product. Recently they had a contest going which the weeklies were asked to promote for nothing, but they had to pay full fare for the same dope in the dailies.

If we had run all the free material enclosed in the 72 mailing pieces, it would have required a 48-page paper.

Actually, we had only enough advertising to justify 12 pages. The local merchants and organizations who supported that issue made it possible for us to include some local free publicity, even though some of the beneficiaries got their printing and advertising elsewhere.

Radar System Essential To Hail Studies Project

The key piece of equipment used by the Alberta Hail Studies Project is the weather radar system located at Project Headquarters on the Canadian Forces Base Penhold just south of Red Deer. This radar system has been developed over the last few years by the National Research Council to the point where its sophisticated electronics and its unique features make it the best available anywhere in the world for studying hailstorms.

When radar was first used in World War II to detect enemy aircraft, it was soon decovered that clouds and rain also showed up on the radar screen. This gave birth to the science of radar meteorology which has since grown to the point where just about every major airport in the world is equipped with weather radar. Special radars are also used to track hurricanes and the severe storms which spawn tornadoes in the American mid-west.

The Stormy Weather Group at McGill University , one of the agencies participating in the Alberta Hail Project, has played a leading role in developing radar as a powerful tool in meteorological research on winter snow and summer thunderstorms.

Radar works by sending out radio waves in very short pulses. Aircraft, ships at sea, and precipitation particles in clouds all act as obstacles and bounce back the radio waves. The time for the echo to return to the antenna, which just a few millionths of a second, is measured electronically. This time is converted to a distance from the radar, and the position of the obstacle is displayed on a circular TV screen.

The Hail Studies radar is designed specifically to detect rain and hail in summer storms. The greater the amount of water in the storm, or the bigger the raindrops and hailstones, the "louder the echo" and so the storm shows up brighter on the screen. By careful calibration of the radar system each morning, it is possible to convert the brightness of the echo into an estimate of the water content of the cloud.

The radar is used in many ways. On days with storm activity, polaroid pictures of the screen are taken every twenty minutes. These are then projected on to a large geographical map of central Alberta and an up-to-the-minutes plot of the storm tracks is maintained. The speed and direction of motion of the storms are predicted and a fleet of trucks is directed to intercept the storm of interest in order to collect rain and hail samples for laboratory analysis. The radar information is processed and displayed in many ways and several cameras are continuously recording the data. The miles of film accumulated in this way during the summer provides the permanent records which can then be analyzed in detail at a later date.

Using a special type of polarized radar signal developed by the National Research Council, experiments are being conducted to see if the radar information can be used to detect the actual location of hail in the storm. Conventional weather radar does not distinguish between rain and hail, and so if these experiments are successful it will be a major breakthrough in radar technology.

This year a new addition was made to the radar system. An aircraft tracking radar has been installed at Penhold and its antenna synchronized with the main weather radar. The T-33 jet aircraft used for cloud seeding has been equipped with a transponder. This transponder picks up the signal from the radar and sends back a very strong signal which is displayed on the screen. In this way seeding aircraft can be tracked continuously and its position re-relative to the storms is known at all times. It is thus possible to direct the aircraft to the precise locations where the seeding is required - a key requirement for hail suppression experiments.

The large 22 foot diameter weather radar dish antenna gives a narrow beam suitable for studying hailstorms in detail. The small bar antenna on the right is used for tracking the cloud seeding aircraft.

Calorie Counters Seek New Members

The local branch of Canadian Calorie Counters, Coast to Coast, notes considerable interest by residents of the community regarding a news story last week reporting the acheiving of her goal by one member.

The member acheived her weight loss by cutting out all sweets and reducing bread consumption to two slices daily. With the encouragement of her husband and other members she stuck to her diet rules and accomplished her goal.

The club welcomes new members.

Mr. and Mrs. Rick Simon

Drayton Valley United Church Setting for June Wedding

The Drayton Valley United Church was the scene of a lovely wedding Saturday, June 5th, 1971 when Miss Marion Kmyta and Mr. Rick Simons were united in marriage in a double ring ceremony. The bride is the daughter of Mr. and Mrs. Mike Kmyta and Mr. and Mrs. Bob Simons parents of the groom. The church was decorated with bouquets of gladioli and mums and the pews arranged in a dimond shape especially for the wedding were marked with yellow roses and white and yellow bows.

Rev. Robin Oldring officiated, Mr. Glen Swanlund played the wedding music and Mrs. Cheryl Rae sang.

The bride looked radiant in a while embossed satin gown. The lace over satin bodice featured a U-shaped neckline trimmed with pearls and three-quarter lace sleeves. The train was of white lace and fell softly from the centre of the back. The bride wore a headpiece of white roses and lily of the valley which held in place the four layer veil, and carried a bouquet of yellow roses. Jade earrings and pendent was the jewellery, a gift of the groom.

Attending the bride was Miss Bonnie Martin, Mrs. Shaunne Connelly, Miss Jean Simon and Miss Dianne Thomson. They wore identical gowns of jade green peau-de-elegance pant gowns styled with high neck lines and empire waist line which were emphasized by silver braid and carried bouquets of yellow roses encircled by white daisies. The young flower girl, Shauna Rae, wore an identical pant gown and carried a silver basket of yellow roses and white daisies. The attendants all wore tierras in their hair.

Best men were Messrs Al Maik, Don Bouschard, Daune Kmyta and Jim Jackson. Master Raymond Kmyta was the ring bearer. Ushering the guests were Mr. Don Eaton and Mr. Doug Rae.

Following the wedding a reception was held in the Elks Hall where the bride's table was decorated with green candles and bouquets of daisies and gladioli. The bride's "Lady Windermere" style wedding cake was set in front of the happy couple. Mr. Ken Wahl was master of ceremonies. Mr. Jack Connelly made the toast to the bride and the toast to the bride's attendants was given by Al Maik.

For her daughter's wedding Mrs. Kmyta chose a gold coat dress with floral bodice, complimented by a yellow orchid corsage. Mrs. Simon, the groom's mother, wore a coral and white dress with an over coat-dress of coral with a pink orchid en corsage.

The bride changed to a jade-green suite and yellow orchid for her wedding trip to Jasper and Banff. The young couple will make their home in Drayton Valley.

Boom Year for A.I. in Beef Cattle

An estimated 164,314 cows were artificially inseminated in Alberta last year representing an increase of 50,000 head compared with the number inseminated in 1969.

H. B. Jeffery, in charge of the province's A.I. programs, reports that about 25 per cent of the dairy cow population and about 10 per cent of the beef cows in Alberta are now being inseminated artificially.

Of the 48,000 services in dairy sires, 41,000 were to Holstein bulls, Mr. Jeffery says. Most of the increase in services to beef sires resulted from the extensive use of the Simmental and Limousin breeds.

The approximate number of services to beef cows by breed of sire were as follows: Simmental - 32,800; Limousin - 30,000; Charolais - 15,500; Hereford - 12,500; Angus - 11,500; and Brown Swiss - 5,000.

Other breeds used to a lesser extend included Shorthorn, Maine Anjou, Murray Grey and Welsh Black.

According to Mr. Jeffery, inseminating businesses in this province serviced 108,500 dairy and beef cows last year, while direct semen sales to farmers and ranchers equalled 69,700 vials. This number of vials could be expected to service about 56,000 cows.

Mr. Jeffery says there are 65 inseminating businesses, six semen producing businesses and over 300 A.I. technicians presently licensed in Alberta. Commercial A.I. technicians are trained at the Vermillion College where they receive a 30-day course which covers all aspects of A.I., including extensive practice with live cows.

In addition, during the past two years more than 1,100 farmers and ranchers have received training in inseminating their own herds from 45 stockman's courses. These five-day courses were conducted by the semen producing businesses working in cooperation with the animal industry division of the Alberta department of agriculture.

Semen exports, says Mr. Jeffery, have become an important part of this province's A.I. industry. Approximately 3 million dollars worth of semen was exported last year, predominatly to the United States. In fact, Alberta's semen exports accounted for about 50 per cent of Canada's total semen exports in 1970.

Mrs. H. Miller and daughter Jacalyn and Mrs. G. Fuhr motored to Rimbey recently to visit Mrs. Miller's sister and family the Larry Burke's.

Mr. and Mrs. Gauthier had the latter's parents visiting with them from Birch Island, B. C.

Mr. and Mrs. Richard Gray are the proud parents of a fine baby boy. His name is Curtis Richard. Congratulations.

Mr. and Mrs. R. Clarke and family have returned home after spending their holidays in Ireland.

The big bingo that the Wabamun Community were to hold this month has been postponed until the first part of September.

Mr. and Mrs. Kibblewhite are pleased to be the parents of a lovely baby girl who was born July 21st. Our congratulations.

The Wabamun Super Market is undergoing renovations and looks very nice.

Mr. and Mrs. D. M. Roberts are home again after being to Saskatchewan for some of the 71 Homecoming celebrations. They took in sports and other Homecoming events at Ridgedale, Star City and Melford. It was certainly nice meeting relatives and friends and old school pals which we had not seen for many years.

Local Paddlers Enter Race

Congratulations to Brad Bradford and Lorne Lillico who participated in the Edmonton Klondike White Water Canoe Race on Sunday. They came 6th in their class and placed 19th out of 61 participants. Later in the evening they attended the banquet held in Lister Hall where Mayor Ivor Dent was present and presentations made to the winners.

The young men are hoping a canoe club will be formed in Drayton Valley -- anyone interested are asked to phone 542-4150 or 542-3041.

NEWS NOTES FROM THE D.A.

Phone Stony Plain 777-2231 between 8:30 a.m. and 5:00 p.m.

E. C. LOWE, District Agriculturist
TOM BROWN, Asst. Dist. Agriculturist

In Drayton Valley each Wednesday at Sekura Auction Mart from 1:00 p.m. to 4:00 p.m.

In the midst of the recent scramble to complete haying operations during a limited time period, many producers changed to a system that has little regard for the weather. Others are considering silage because of the increased palatability and feed value. Another consideration is the elimination of physical labour in both storage and feeding as silage lends itself to automated feeding.

If you are interested in the feeding value of silage, the degree of mechanization possible, a comparison of the latest equipment from major distributors, pros and cons of pit and vertical silos etc., a two day demonstration(same program each day) has been arranged for August 10 and 11, 1971 at Ranfurly.

Bus tours--no charge (except for food) will be sponsored by the Edmonton and District Grassland Association in co-operation with the Alberta Dept. of Agriculture. The bus will go on the day the majority prefer (either the 10 or 11). If we get about 40 interested farmers, a bus will pick you up at Stony Plain. If only part of a bus, it will be necessary to go by car to the Exhibition Grounds in Edmonton to catch a bus.

If you are going let us know before July 31.

VIOLET GROVE NEWS

Doreen Bigelow was to Calgary to a music festival with her accordian. She took 2nd prize with Golden Slipper.

Fredrick Davidson was in B.C. the first week of July and said that it is just as wet there as here.

The community meeting was held in the Violet Grove Hall on Tuesday July 13 with 14 members attending. The next meeting will be on August 3rd.

The Red Baron recreation bus was at Violet Grove Hall on Thursday July 15 and provided an enjoyable day for the children. There was a pot luck supper in the evening.

Vi Smith has retired from the Violet Grove Post Office as of July 15. Welcome to the new Postmistress, Mrs. Taylor.

Helen Warsaba is in the hospital. Hope you get better soon Helen.

MAGNOLIA NEWS

Mr. and Mrs. Harris, Shirley and Eldon were Sunday dinner guests with Allan and Brenda Walker. Mr. and Mrs. Harris state that they enjoyed their month of holiday in late June and early July.

Eric Brown left by plane on Sunday July 18 to spend a three-week vacation in England and Scotland. While he is there he will meet his grandmother, aunts, uncles and cousins for the first time.

Mr. and Mrs. Sandy Brown and family of Hinton were in this community recently to visit their relations.

Wedding anniversary greetings go to Allan and Brenda Walker, twenty-four years on July 9, also to Len and Norma Williams eight years on July 16.

KEEPHILLS NEWS

The final bingo of the K.A.A. for the past season was held at the Keephills A.A.Hall on Friday night of last week. Bernice Vanderwell and Joan Wagner tied on the $100.00 bingo and split it.

Nora Dombrosky of Edmonton visited friends in the district over the weekend as well as going to the cemetery to clean around some graves.

John Vanderwell broke a small bone in his foot recently and he finds it quite painful to get around.

Neil and Norma Raymond are moving from Stony Plain back into Edmonton at the end of July.

George and Isobell Draves and family are camped at Keephills for the weekend and are getting around visiting old friends.

Jean and Bill Vanderwell took a nice holiday to see the north country and report many acres of land covered with water in the Peace area, following recent rains.

Millie Raymond has been ill with pneumonia but is on the mend the last few days.

Mr. and Mrs. G. Raymond are spending a few days at Sandy Lake to attend the camp meeting in progress there.

Polly Korzan has been keeping her young grand-daughter this past two weeks while her parents are on holidays.

Else Calkins and family from St. Albert were spending a week here with her sister and brother-in-law and family, Mr. and Mrs. Roy Raymond.

Charlene and Glenda Draves have been visiting the Tattersall home while Scot, Randy and Darcy are visiting the Draves' home near Morinville.

Funeral Service July 20th For Leslie Oulton, Breton

Mr. Leslie Percy Oulton of Breton passed away at Leduc on July 16, at the age of 79 years.

Born at Jolicure, New Brunswick on December 28, 1891, he came west in 1910 and after visiting Alberta and other western provinces eight times he returned to the east. In 1929 he returned west and settled at Lacombe, later moving to Warburg in 1936 where he served on the Council of the M.D. of Pioneer for six years.

In 1945 he moved to Breton where he took an active interest in municipal and community affairs. He helped to organize the Breton & District Board of Trade of which he was president for several years.

When Breton and district were taken into the M.D. of Leduc he became the first councillor of division 6. He was also a member of the Alberta Wheat Pool and a charter member of Elk's B.P.O.E. #402 in Breton.

He was united in marriage to the former Florence Copp in 1914 who predeceased him in 1969.

Mr. Oulton is survived by 2 sons, Lyle of Breton and Ted of Whitehorse, Yukon; 8 grandchildren; 2 brothers and one sister.

Funeral services were conducted from the Breton Community Hall on Tuesday, July 20, at 2:00 P.M with the Reverend John Palmer officiating. Interment followed in the Breton Cemetery.

HART CANTELON

Readers wishing to write to Mr. Cantelon are invited to do so. All letters to be forwarded to Hart Cantelon Counselling Services Ltd., 1600 Cambridge Building, Edmonton. Please include a stamped self-addressed envelope to ensure a reply.

Dear Mr. Cantelon:

Our twelve year old daughter is causing us some concern. She has gotten in with a crowd who are not the best of company, consequently she has had a couple of brushes with the police. She has gone as far as to openly defy us by going to a little hamlet near at hand with no escort. She has been punished very severely for this by her father. Our daughter is quite close to me, but she openly states that she hates her father and feels that her father dislikes her. I cannot seem to get to the bottom of the problem. I feel that her father is too harsh on her in his punishment and it may be that I am just the opposite. I feel that all three of us need help.

Dear Concerned Parent:

It is very difficult for parents to pull together in the area of discipline. This is due to the fact, that in our present day society, there is very little community support in our effort. In other words, we as parents, are loners in the situation, and we often find neighbors making a very different decision from the one that we have made in exactly the same situation. This means that young people look at parents' decisions, and see a great deal of inconsistency. They, therefore conclude that parents do not know what they are talking about, and they go their own contrary way. One of the outstanding Psychiatrist's of our country states, that what parents need to exercise is "Disciplined Discipline" in other words, have some element of consistency. You have pointed out the inconsistency that you feel between you and your husband, he is too harsh and you are too lenient. As a result, your daughter is pulled in between these two extremes. You are right, that all three of you need counselling, and I would suggest that you begin with the school counsellor where your daughter attends and have him help you work this out. If there is no counsellor on staff, then choose a clergyman of the church that you attend. Should either of these suggestions not be feasible, then seek help from a counselling agency in the city nearest you.

Dear Mr. Cantelon:

I am separated from my husband. I have a son seventeen years of age. He needs male companionship. I have made many mistakes with this boy in the past. I hope that I will make fewer in the future, but I do know he needs this kind of guidance. On TV the other day, an interviewer talked about a big-brother-club. Do you know where I could find out about this kind of club? Perhaps there are other organizations where a person can get help in a case like mine. I have no friends who can help me locally with this problem. Can you help me please?

Dear Concerned Mother:

There is an organization called "The Big Brother Movement". Most of these branches, however, are located in large cities. From your address, I feel it is a bit unrealistic for you to feel that this type of organization can help you. Have you thought of talking this through with the Principal of the school where your boy attends? Or is there a store-keeper that serves your community, where you might find the kind of person who would be willing to involve your boy in after school work? Therefore, you would develop a male relationship for him. It wouldn't matter what he got paid, as long as he developed companionship with someone who might take him out fishing, now and again, or drive him to a ball-game, or suggest a movie now and again. If you belong to a church, share this concern with your clergyman, he might be able to develop responsibilities around the church in which this boy could be involved. There may be a Junior Leader needed for a Scout or Cub group. Always around the church, there are routine tasks that need to be done in preparation for worship services on Sunday. So look around you, and see if there is not some man in your community that can take your boy under his wing, and give him this kind of relationship. I cherish the memory of a store-keeper, who took time out to give me some routine tasks to do (and I had a father) when I was a boy, and I still cherish the memories of those days.

Mr. and Mrs. Emil Henkel spent the weekend at their campsite near Easyford.

Sandy Homme is staying with her cousin Brenda Henkel for a week's holiday.

Little Doug Shepherd of Edson is still unconscious in the University Hospital. Doug was hit on the highway near his home. Doug's mother, the former Margret Walker, was born and raised in this district.

Mr. and Mrs. Eldon Greanya and Eileen Babcock had a barbecue supper with David and Eleanor Tattersall on Sunday.

Rev. and Mrs. Bert Lanvill and daughter Shelia visited friends in this district on Sunday.

Birthday greetings for July go to Stacey Homme, Brenda Henkel, and Barry Henkel.

LIBRARY NEWS

Our latest order of books include the following interesting titles. "Gadget Man" by Goulart; "The Stainless Steel Rat" and "The Stainless Steel Rat's Revenge" by Harrison and "The Sun Grows Cold" by Berk. These are new Science Fiction for adults.

"The Underground Man" by Ross MacDonald. Lew Archer, MacDonald's well known detective again appears. The action takes place in California.

"Lost Island" by Phyllis Whitney promises to be as popular as her "Silverhill". "Black Amber" and "Hunter's Green". If you enjoyed "Cheaper by the Dozen" and "Bells on Their Toes" you will want to read Frank Gilbreth's latest, "Time Out for Happiness". It is the story of his mother. "The Nympho and Other Maniacs" does not tell of insane people but of some well known ladies of history who were independent of public opinion. There was Victoria Woodhull who ran for the presidency of the United States on the platform advocating free love, short skirts, world government and other startling suggestions considering the times she lived in. Nell Gwyn, as everyone will remember, was the mistress of Charles II. Lady Hamilton had deserted her husband for Lord Nelson seven years before the Battle of Trafalger. These are only a few of the lively ladies included in Irving Wallace's book.

For younger readers there are: "Wisdom of the Wilderness" by Charles G. D. Roberts; "Tom Swift and the Galaxy Ghosts" by Appleton and "The Gismos" by Lazarus. The latter is a juvenile science fiction.

For the information of newcomers: The Municipal Library is situated in the Town Hall. Enter by the east door. During the summer library hours are: Friday only 3:00 to 5:00 and 7:00 to 9:00 p.m. Frees are adults $1.00 for twelve months. Children 50¢ for twelve months. High school students may have adult cards by paying the fee. Junior high students may have adult cards with a signed consent card and by paying the fee.

$500 PRESENTED TO YOUTH COUNCIL

The Department of Culture, Youth and Recreation presented $500 to the Yellowhead Youth Council on July 18th in Hinton. This money is to be used to encourage development of leadership training on an area basis.

Each of the participating communities is responsible for conducting leadership training for youth and adults in their localities.

The intent of the $500 is to allow a minimum of two area workshops per year during which all the communities can come together for sharing of ideas and concerns and mapping our procedure for co-ordination and co-operation between the towns of the Yellowhead.

The Yellowhead Youth Council involves representatives from Grande Cache, Hinton, Edson, Wildwood, Evansburg, Drayton Valley and Stony Plain.

OVERNIGHT WILDERNESS CAMP

There were 30 lucky kids from the Spruce Grove, Stony Plain area that enjoyed 3 1/2 days at the camp. They learned camp skills that they will be able to use again. They also had a good orientation to camp craft and games. Each day was high-lighted by a sleep in authentic Indian tee pees. Ask anyone of these kids and I'm sure they will say they had fun and excitement at camp.

EVANSBURG PLAYGROUND

On Friday, July 23, the children of the Evansburg Playground hosted their parents and friends at a Parents Nite, held at the Pembina River Provincial Park, from 7 - 9 in the evening. An Arts and Crafts Display, weiner roast and sing song/drama presentation highlighted the evening.

SPRUCE GROVE PLAYGROUND

The Spruce Grove Playground is situated at the Serplex. On July 16th, the children put on a Penny Carnival at the skating rink. A parade through town Wednesday afternoon advertised this event. We would like to thank the Spruce Grove Hotel and Grove Drugs for contributing candy for prizes. Also everyone else who helped out. With safety as a theme for our next week, we visited the firehall in Edmonton.

There will be a weiner roast July 30th for everyone to enjoy. Everyone welcome.

STONY PLAIN PLAYGROUND

The Stony Plain Playground activities are going very well and the children are very enthusiastic. A raft of playground programs has been provided, highlighted each Friday with special events, such as variety shows, weiner roasts, penny carnivals, etc.

The children at the Lions Playground seem to really enjoy rough-housing, but they also are culturally minded and if you will come down and take a look at the paintings and pendants you will be able to see for yourself.

Note: Playgrounds will be opening in Wabamun, Seba Beach and Enoch come August 1st. Be prepared to support the leaders in their worthwhile efforts.

HANDICRAFT & FLOWER SHOW

An exhibition and competition of Arts and Crafts, sponsored by the Arts Council, will be held in conjunction with the Horticultural Society's Annual Flower Show in Stony Plain on Thursday, August 19th, 1971.

There has not been any similar exhibition in the County of Parkland where people throughout the Region could display a variety of handicrafts. At an exhibition of this nature, individuals will have an opportunity to exhibit their articles as well as make other people aware of what creative handicrafts really are.

Categories for entries are in the fields of Textiles, Weaving, Ceramics, Quilting, Leathercrafts, Stitchery, Knitting, Crochet, Sewing and general crafts like woodwork, lapidary, metal, basketry, mosaics, and painting.

Application forms and Prize Lists are available at the Parkland Regional Recreation Office, Stony Plain, George Baker, Entwistle or Georgianna McDavid, D.H.E., County Building, Stony Plain.

EVANSBURG AREA NEWS

Mayor Guy Dompnier of Evansburg is shown here presenting a cheque to two girls, Cathy Luniw and Connie Rimmer. The girls were the winners of a contest sponsored by the village in both schools for a design for a proposed coat of arms. The contest ran for approximately one month. The two girls drew the design jointly.

P.V. Daze Again Proves Success

The day started under ideal weather conditions and at 6:30 saw the Kinsmen and Kinnets preparing for the pancake breakfast. The local volunteer fireman were busy watering the street to settle the dust.

The pancake breakfast got under way at 7:30 and approximately 300 people came to enjoy it, after which they lined the streets to watch the parade.

Some 30 entries formed the parade led by Edmonton Pipers and the R.C.M.P. followed by the Royal Canadian Legion and the Auxiliary to the Legion. The Elk's Lodge of Entwistle and the Ladies of the Royal Purple.

Prize winners of the parade events are as follows:

Commercial--1st, Northern Alberta Dairy Pool; 2nd, Snack Shack. Organizational--1st, Lobstick Beef Club; 2nd, Kinsman Club. Novelty--1st, Indian boy on horse (Murdy Harkie); 2nd, Indian girl (Cheryl Kos). Bikes--1st, R.C.M.P. Boys (Travis Ferguson, Trent Ferguson, and Denny Bowers). Bowers).; 2nd, Train Engine on Bike (Connie Rimmer); 3rd, One-horse power with trailer(Mark Dompnier). Horses--1st, Arabian Group (Corrinne Dix, Dianne Sullivan, and Kathy Harkie).

The Gymnkhana events started soon after the parade. A 4-H Tractor competition took place and Eddie Kazlauskas had the highest points. A horseshoe tournament took place and the winner of this was Ivan Brown and runner-up was Johnny Bills.

The day rounded off with a delicious steak fry put on by the Elks Lodge and a dance in the Legion Hall with the Law Orchestra supplying the music.

VILLAGE OF EVANSBURG
PROCLAMATION

Under the authority vested in me pursuant to the provisions of section 237 of the Municipal Government Act being Chapter 246 of the Statutes of Alberta, I, GUY R. DOMPNIER, Mayor of the Village of Evansburg, do hereby proclaim Monday August 2, A.D. 1971 as a Civic Holiday in the Village of Evansburg.

Dated at Evansburg, this 12th day of July A.D. 1971.

GUY R. DOMPNIER
Mayor of Evansburg

EVANSBURG NEWS

Many visitors spent the weekend in Evansburg to help celebrate the second Annual Pembina Valley Daze. Some of them were Mr. and Mrs. Lester MacMillan of Calgary visiting at the home of Mr. and Mrs. George McGowan. Also on the Pembina Valley Daze scene were Mr. Fred Gough of Edmonton, Mr. Ron Hadley of Edmonton, Mrs. Bud Storms (sister of Ivan Brown), Mr. John Wilson of Mayerthorpe, Maxine and Louis Grant (daughters of Mr. and Mrs. Ike Grant) of Edmonton, Janet Cumming of Edmonton, Alf Iwascko of Edmonton, and Mrs. Estella Hale and Vera of Edmonton.

Congratulations go to Bob Palmer and Alice Ross whose wedding took place on July 23.

Congratulations also go to Mr. Roy Hadley as he was the winner of the $105.00 Jack-pot at the Legion Bingo.

We would like to congratulate Ted Bruner on winning a $200.00 Rotarian Scholarship.

Theives netted over $300.00 in cash in two separate break-ins on the weekend. Pembina Esso Service on Highway 16 and Evansburg Service Centre. Entry was gained in both places by breaking rear windows. Damage to the equipment was extensive. R.C.M.P. are investigating.

Kenny and Allen Mazeppa, Ted and Zane Bruner are attending a Youth Seminar in Edmonton.

Get well wishes to to Jeff Bruner who is in hospital at this time.

Visiting at the home of Mr. and Mrs. M. Bruner is Mrs. Clark of Hixon, B. C.

Visiting at the home of Mr. and Mrs. D. Farrell are Mr. and Mrs. Ray Dystant and family from Campbell River, B. C.

Mr. and Mrs. Ed Schuster and Marvin are holidaying in the B. C. interior.

We are proud to announce that the Lobstick Beef Club won second prize in the Klondike Parade in Edmonton last Thursday.

Ted Bruner was chosen to go to Olds to attend the 4-H Provincial selection.

With warm dry weather, haying is in full swing. Mike Mazeppa informs us he bought an automatic stooker to help speed things up.

Correction of last week's news: Mr. Lawrence Felberg, brother of Mrs. Gertie Schuster was visiting here, not Mrs. Lawrence Felberg sister of Mrs. Gertie Schuster.

Friends of Mr. and Mrs. Stan McArthur and Mr. and Mrs. Ed Nelson were pleased to see them visit in Evansburg. They visited at the Charlie Taylor residence also at the Ivan Brown residence. They camped at the Pembina River River Park and reported it was quite cool due to the rainy weather, but it won't stop them from coming back.

Evansburg Man Wins Tourney

Sunday morning 40 golfers teed off for the PV Golf Club Men's Open again under ideal weather conditions. The winners were:

Championship Flight - 1st, Dave Fairbairn, Evansburg; 2nd, Bill Porteous, Whitecourt; and Consolation, Gordon Langford, Evansburg.

First Flight - 1st, D. Shaw, Whitecourt; 2nd, T. Philipow, Whitecourt; and Consolation, D. Stark, Whitecourt.

Second Flight - 1st, Doc Lofstand, Whitecourt; 2nd, B. Powell, Whitecourt; and Consolation, F. Welch, Seba Beach.

Third Flight - 1st, L. Masse, Edson; 2nd, George Sudbear, Whitecourt; and Consolation, D. Leyden, Edmonton.

Fourth Flight - 1st, D. Keenan, Edmonton; 2nd, B. Shantz, Edson; and Consolation, G. Forabasco, Whitecourt.

The refreshment booth was looked after by the Ladies Auxiliary to the Canadian Legion.

Drive safely and enjoy your vacation.

PARKCOURT NEWS

On returning from our trip we find that hot weather has taken over the weather picture and everyone is talking about the disease which is sweeping through the trees and shelter belts alike. Many people have already sprayed their shelter belts in an attempt to save them.

The Albert Tuftin family has had company over the past week. Mr. and Mrs. Archie Larson and Mrs. O. Maygard of Wetaskiwin, Mr. N. Powell and son of Valemont, Mrs. Art Norm and son all spent a couple of days visiting. Their grandson, Gregory Ohl of Mayerthorpe has also been with them for a week of his summer holidays.

The regular meeting of the Gay Gatherers was held at the president's home, Mrs. Carol Greenwood, on Wednesday night. After a short meeting, business was put aside as the members celebrated birthdays held on the date of the president's birthday. Everyone participated in stunts, contests, etc. Birthday gifts were then opened by all. A lovely lunch followed, the highlight being the birthday cake baked by Mrs. Nina Iwaschuck.

Miss Kathy Greenwood accompanied her Aunt Joan to Penticton where they are holidaying and preserving some of the cherry crop.

Congratulations go to Mr. and Mrs. Bob Graf (nee Maureen Fausak) on the arrival of a son. Proud grandparents are Mr. and Mrs. Fred Fausak.

Mr. and Mrs. Johnny Brunet and family enjoyed the weekend at their cabin near Edson, doing a little fishing and just relaxing.

Miss Janet Young is spending some holidays at her home here.

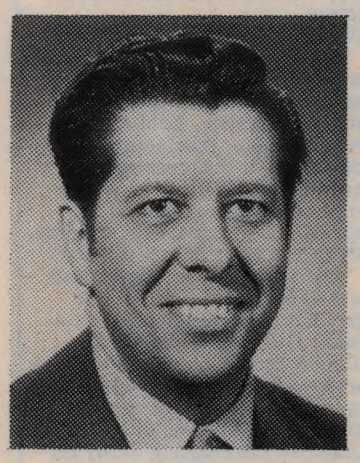
Mr. and Mrs. Harvey Marchand spent the weekend at Wainwright where they attended a wedding.

Misses Debbie and Sandy Ohl of Mayerthorpe spent a week visiting at their aunt and uncle's, Mr. and Mrs. Stanley Greenwood.

KEEP IN THE SWIM WITH WATER SAFETY

"When it comes to keeping your money sorted out, nothing beats a P.C.A."

says Gordon Langford



"A Royal Bank Personal Chequing Account is the easiest, most convenient and economical way we know for you to keep tabs on your money and take care of personal and household bills. You can write cheques when you want to, you keep a handy record of all payments and we send you a regular statement plus all your cancelled cheques, so you know exactly where you stand.

So if paying bills and figuring out what you've got in the bank gets you all confused, come in and see us. A Royal Bank Personal Chequing Account will straighten you out in a hurry."

The Canada Department of Agriculture has distributed more than 1,000,000 pounds of the new Span rapeseed variety to Canadian growers, crushers and grain trade. This summer's crop should yield about 110,000,000 pounds of Span rapeseed for domestic use and about 50,000,000 pounds for export.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending July 24, 1971, provided by the Livestock Division, Canada Department of Agriculture

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	5100	4000	1100	3700	540
Last Week	5684	4444	1240	4539	78
Same Week (1970)	4351	3620	731	4163	119

INSPECTED SLAUGHTER - Week ending July 17, 1971
BEEF - Canada 58,096 - Alberta 21,115 - 36%
HOGS - Canada 190,327 - Alberta 36,782 - 19%

SUMMARY:
Weekly receipts were seasonally normal. Offerings of cattle and calves consisted of approximately 65% replacement classes with slaughter classes being about evenly divided between slaughter steers, heifers, and cows. Trade was mostly active to a shade slow on lighter weight butcher steers and heifers which were in excess of demand. Prices were generally steady on butcher steers. Butcher heifers 25 - 50 lower for the week. Bulls 50 higher for top quality. Heavier replacement classes steady, lighter weights uneven 1.00 - 2.00 lower.

SLAUGHTER CATTLE & CALVES:
Top quality handyweight butcher steers were generally scarce and sold fully steady with sales to 32.20 early in the week. Lighter weight steers 975# and under were moving slowly throughout the week at discounts of 1.00 to 1.50/ cwt. Choice butcher heifers opened steady with sales to 28.00 but were 25 - 50 lower by mid-week selling at a practical top of 27.50 and closed steady. Butcher cows were in good supply and sold fully steady under a good demand. Good cows were a little uneven selling at strong prices early in the week mainly on account of condition and quality. Closing prices were generally steady at a practical top of 21.50 for good dry fed kinds. Medium and lower grades were generally steady throughout. Good bulls were scarce with a few sales 50 - 1.00 over last week's quotations. Veal calves were about 2.00 lower for the week and also the lighter end of the butcher calves.

REPLACEMENT CATTLE & CALVES:
There was no change in quotations for good feeders in the heavier weight ranges this week. Light feeders and stock calf trade was not so brisk with prices ranging about 1.00 lower. Stocker calves under 300# sold unevenly from steady to 3.00 lower in spots.

SHIPMENTS:
Last week's shipments off the Edmonton Public Stockyards were: East--123 slaughter; West to B.C. --142 slaughter; Export--15.-- Bulls for slaughter. Feeders to southern Alberta areas 525 head.

CLOSING QUOTATIONS
SLAUGHTER CATTLE:
Steers: Choice 31.25-32, good 30.50 - 31.25, medium 26 - 27. Heifers: Choice 27 - 27.50, good 26 - 27, medium 25 - 26. Cows: Good 21 - 21.50, odd sale higher, medium 20 - 21, canners & cutters 17.50 - 20, shells 15 - 17. Bulls: Good 24 - 26, odd sale higher.

REPLACEMENT CATTLE & CALVES:
Good feeder steers (575 - 750 lbs.) 33 - 36, (750 lbs. and up) 30 - 33, common to medium 27 - 31. Good feeder heifers (575lbs. & up) 28 - 32, common to medium 24 - 27. Stock cows 20 - 24. Good stock steer calves (300 - 400 lbs.) 40 - 46, (400 - 550 lbs.) 35 - 40, common to medium 30-38. Good stock heifer calves (300 - 550 lbs.) 30 - 38, according to weight, common to medium 28 - 32.

SLAUGHTER CALVES:
Good to choice veal (300 lbs. & under) 44 - 48. Good to choice butcher calves (300 - 450 lbs.) 35 - 42, (450 lbs. and up) 26 - 32.

HOGS:
Edmonton Stockyard (E.S.Y.) butcher hogs ranged 50 - 75 higher this week selling from 21.05 to 21.85 base price. Stags steady at 7.50/cwt. and lower depending on weight and quality. Sows 12.55 - 12.85 dr.wt. 1300 feeder hogs sold lower ranging from 15.50 per cwt. for 100# feeders down to 12.50 per cwt. for heavier kinds. Weaners and light feeders sold by the head from 5.25 each for light weaners to 14.50 each for 85# feeders.

SHEEP & LAMBS:
Good to choice butcher lambs sold 1.00 - 2.00 lower this week ranging from 26.50 - 27.50 per cwt. to close at 26.50 per cwt. A few good sheep at 12.00 each.

Wedding Bells Ring For Magnolia Couple

On Saturday June 26th, 1971, Connie Dale, fourth daughter of Mr. and Mrs. Dick Anderson of Magnolia and Jack Gilbert, second son of Mr. Herb Gilbert of Magnolia and Mrs. V. Shippy of Rosedale, B.C. were united in marriage at Edmonton.

The double-ring ceremony was performed by a Justice of the Peace.

The bride was radiant in a short beige fortrel dress featuring long sleeves, an empire waist line, and a row of covered buttons cascading down the dress front. She wore an heirloom gold locket of her mother's and her bridal flowers were a corsage of red sweetheart roses.

The brides-maid was the bride's sister, Miss Gene Anderson of Edmonton. She wore a red hooded pant suit with a corsage of white carnations.

The best man was Jim Gilbert, older brother of the groom. Lois Anderson and Janie McCracken also attended the ceremony.

A bridal reception was held at the Entwistle Community Hall for relations and out-of-town guests. Following the reception, a wedding dance was held with music by the Rick Peden and Bruce Anderson Band.

Out-of-town guests were the groom's mother, Mrs. Shippy, also Mr. Shippy and Kathy of Rosedale, B.C. Other guests were from Minburn, Edmonton, Jasper, and Peers.

The happy couple are presently making their home on the Dean Strangway farm where Jack is employed.

RENO NEWS

Recent visitors to the George Court home were: Edith and Ollie Just of Kansas City, Missouri, and Elsie Janewski of Calgary. Darlene Court has been staying with her sister, Laura, in Hinton and returned with her parents George and Vi Court when they motored to Hinton last Thursday. George and Vi had a very nice visit with their daughter Laura, son-in-law Bob and grand-daughters while in Hinton. Coming home they stopped at Edson to visit Vi's parents, Mr. and Mrs. Werbecky. The Court's also have four kittens to give away.

Visitors to the Jack Sluserenko farm are Mr. and Mrs. Bill Riddel of Los Angeles who will be staying with them for ten days. Also Mrs. Marion Lakusta of Prince George is visiting with her parents, Nattie and Jack Sluserenko.

Weekend visitors to the Paul Yakimchuk farm were Mr. and Mrs. Bill Kuchta and Mr. and Mrs. Harry Huculak of Edmonton. They thrilled Mrs. Ollie Yakimchuk with souvenirs and rock specimens from their recent visit to Hawaii. Ollie is an avid rock collector.

Mr. and Mrs. Lee Berg of St. Albert were weekend visitors to the home of the Stan Angermans.

Keep in mind the farm sale of Mrs. A. Raypold on August 7th and be sure to attend.

Food for thought: A man who is wrapped up in himself makes a very small package indeed.

BRIGHTWOOD NEWS

The recent sunshine has been a welcome change from all that rain; yet I believe that most people find that the intense heat can be quite enervating. Haying operations are getting under way now and I've seen hay baled and stooked already. Thursday night's rain was a welcome reprieve from the scorching heat, moistening the dry cracked earth once again.

Mr. and Mrs. Gordon McEarchern spent the weekend with son and daughter-in-law at their cabin at Bear Lake near Edson.

Be sure to attend the Bud Tufty farm sale on July 31st. The Tufty's have sold their farm to the Department of Highways for future development and are moving into Entwistle.

Visitors to the Lalonde farm last weekend were, Art and Agnes and Sharon Lalonde of Morinville, and Mark and Marg Content and daughters Charlotte, Pat, and Patti-Lynn of Edmonton.

Mrs. Letteta was in Edmonton last week visiting her daughter Vera and family. Mr. Leudke and sons are farming the Miller Bros. farm this season.

Alberta Gas Trunk Purchases Zama Line

The Alberta Gas Trunk Line Company Limited has arranged to purchase from Peace River Oil Pipe Line Co. Ltd. its 20-inch pipeline from Zama Lake to Valleyview, Alberta, and will convert it to use as a natural gas line Initial gas service is scheduled to commence in the spring of 1972.

The purchase will enable Alberta Gas Trunk Line to provide a transportation connection to existing and prospective gas reserves in Northwestern Alberta, which gas until now has been considered beyond economic reach.

Besides tapping proven gas reserves and opening a 30,000 square mile sector of the sedimentary basin in Alberta to gas transport service, the line may be found within reach of existing supplies in Eastern British Columbia and the southwestern portion of the Northwest Territories. It would also facilitate a link between Alberta Gas Trunk Line's Northern Division, which delivers Alberta gas into British Columbia, and the rest of the AGTL system.

Total cost of the purchase, plus the cost of converting this pipeline system is estimated at $30 million.

Alberta Gas Trunk Line's President, S. Robert Blair, said that the purchase enables the prompt connection of northern gas sources at a cost less than that which would be required to build a new line. He said that this advantageous development has resulted from cooperation of the owners of Peace River Oil Pipe Line Co. Ltd. and the Rainbow Pipe Line Company Ltd., which has agreed to transport the oil hitherto moved in the section of Peace River Line purchased by AGTL. Blair also commended the gas buying company, Alberta & Southern Gas Co. Ltd., which has provided service payment commitments which make the purchase feasible to AGTL at this time.

Mr. Blair also pointed out that the purchase shortens the gap between Arctic gas reserves and the northern end of the existing AGTL system by 300 miles. He noted, however, that a larger main line through Northwestern Alberta would be necessary in order to implement the Gas Arctic Project, which AGTL and four other companies propose as the means of moving large volumes of gas from the Arctic.

The Peace River Line would have a gas-moving capacity of about 250 million cubic feet per day when fully powered by compressors.

Conversion of the line to gas service will be carried out under Alberta Gas Trunk Line's Engineering and Construction Division, headed by Vice President D.H. Hushion, who directed the studies of serivce conversion feasibility and who played a leading role in the purchase negotiations.

4-H Major Award Trips

For many 4-H club members, their families and sponsors of 4-H activities and programs across the province, Tuesday evening, July 27th marked the culmination of their 4-H experience. At a banquet sponsored by the 4-H and Junior Forest Warden branch of the Alberta Department of Culture, Youth and Recreation, more than 250 invited guests were present when fifty outstanding 4-H members received major award trips.

For two days prior to the award night, 175 top 4-H members from across Alberta met at the Olds Agricultural and Vocational College to take part in a series of selection activities where they were judged on the basis of three main criteria. They received merit points for their individual participation in 4-H club activities at local and provincial levels.

Their performance in written exams tested their knowledge of 4-H history and that of the province of Alberta, as well as current events. Participation in group activities and discussions is the other criteria.
